## ANSWERING MACHINE MESSAGES

**Hi. This is John. If you are the phone company, I already sent the money. If you are my parents, please send money. If you are my financial aid institution, you didn't lend me enough money. If you are my friends, you owe me money. If you are a female, don't worry, I have plenty of money.**

Hi. Now you say something.

**Hi, I'm not home right now but my answering machine is, so you can talk to it instead. Wait for the beep.**

Hello. I am David's answering machine. What are you?

**Hi! John's answering machine is broken. This is his refrigerator. Please speak very slowly, and I'll stick your message to myself with one of these magnets.**

Hello, this is Sally's microwave. Her answering machine just eloped with her tape deck, so I'm stuck with taking her calls. Say, if you want anything cooked while you leave your message, just hold it up to the phone.

**Hello, you are talking to a machine. I am capable of receiving messages. My owners do not need siding, windows, or a hot tub, and their carpets are clean. They give to charity through their office. If you're still with me, leave your name and number and they will get back to you.**

This is not an answering machine-this is a telepathic thought-recording device. After the tone, think about your name, your reason for calling and a number where I can reach you, and I'll think about returning your call.

**Hi. I am probably home. I'm just avoiding someone I don't like. Leave me a message, and if I don't call back, it's you.**

Hi, this is George. I'm sorry I can't answer the phone right now. Leave a message, and then wait by your phone until I call you back.  
If you are a burglar, then we're probably at home cleaning our weapons right now and can't come to the phone. Otherwise, we probably aren't home and it's safe to leave us a message.

**You're growing tired. Your eyelids are getting heavy. You feel very sleepy now. You are gradually losing your willpower and your ability to resist suggestions. When you hear the tone you will feel helplessly compelled to leave your name, number, and a message.**

Please leave a message. However, you have the right to remain silent, everything you say will be recorded and will be used by us.

**Hi if you are a bank this is an automatic machine, please press any of the button on your phone and listen to five minutes of boring metallic music then hang up in frustration like I do**

**Finally. If you get someone on the phone trying to sell something act interested for about 20seconds, let them get excited and into their spiel, then quietly place the phone down somewhere and walk away. They will whiter on for a while then eventually realise your not there. After say three minutes you can retrieve your phone knowing you have cost them time, effort and money**
